ABOUT

COMPANY

asianplus Electricals is a qualified and experience engineers team of electrical engineering applicable to various industrial power, infrastructure and commercial projects. Founded in 2020, asianplus Electricals has established itself as an electrical contractor for electrical control & power panels required for HVAC, Fire Fight Engineering, Power Distribution and Process Industries.

We have always provided customize automation systems to the market place and have invested heavily in our talented human resources, which is out number one resource. We understand the development process and have the experience to mitigate risk. An understanding of our client's business objectives and values allows us to add extra value by suggesting the right solution proactively.

Our business philosophy is to exceed the customer's expectations while providing an efficient, cost effective solution. Our commitment to excellence along with long term relationships with our customers gives us a reputation that is parallel led in the industry.

VISION & MISSION

Vision

We are committed in delivering reliable, quality, cost effective, environment friendly solution for maximizing prosperity of customers while expanding our sphere of operations rapidly.

Mission

To become one of the nation's top-ranking electrical contractors. asianplus Electricals is committed to leading the industry in safety, workforce training and customer satisfaction. We will meet and exceed customer expectations through our full-line of electrical design, build and maintenance services, state-of-the-art technology and superior financial strength, completing projects on time and on budget. We will continue to Implement and incorporate new technologies as they develop in our industry and to pursue new and emerging markets.

Quality Assurance

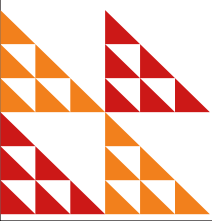

"At asianplus Electricals, Quality is a Standard. We are committed to the efficient delivery of Quality Project & Maintenance Services to each and every client we touch, each & every time. Our stringent Quality Assurance Practices ensure that our clients will receive consistent quality & delivery each and every time."

WHY US

Below are five reasons to choose us:

1. We adhere to the international norms of quality.
2. Our products are Sturdy/Safe and reliable.
3. Our products are innovative and more attractive for modern usage.
4. We have strong infrastructure and a competent team to back our operations.
5. We assure in time as well as expedited delivery as per requirement.

OUR SERVICES

Electrical Consultant

"We are your trusted electrical consultants, providing expert guidance in electrical system design, energy efficiency, safety, and more. Our goal is to deliver tailored, innovative solutions for your electrical needs."

Residential/Commercial Project Wiring

"We specialize in residential/Commercial project wiring, ensuring safe, efficient, and compliant electrical installations for homes. From design to implementation, we are your trusted partner for all your residential wiring needs."

OUR SERVICES

Electrical Maintenance

"We provide comprehensive electrical maintenance services to ensure the ongoing safety and functionality of your electrical systems. Our expert team is dedicated to keeping your systems in top condition, minimizing downtime, and ensuring long-term reliability."

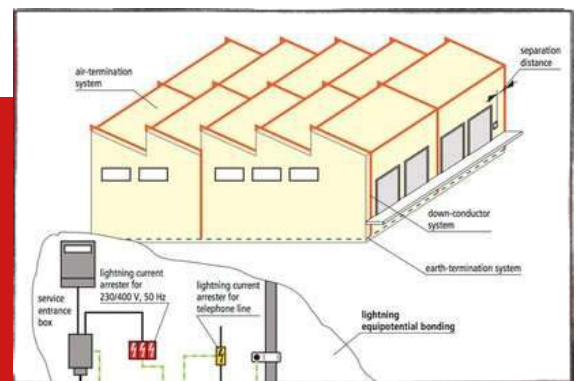

Network Wiring

"We specialize in network wiring, delivering efficient and secure data connectivity solutions for businesses. Our expertise ensures robust and reliable network infrastructure to meet your communication needs."

Lightning Solutions

"We offer lightning solutions to protect your property and assets from the destructive forces of lightning strikes. Our expertise in lightning protection ensures safety and security for your infrastructure."

OUR SERVICES

Renewable Energy Solutions

"We provide innovative renewable energy solutions, harnessing the power of clean, sustainable sources. Our expertise in renewable energy technologies enables eco-friendly and cost-effective energy solutions."

HL/LT Work

"We specialize in High/Low Tension (HL/LT) work, ensuring safe and reliable electrical installations for various applications. Our expertise covers a wide range of HL/LT electrical services to meet your specific needs."

Distribution Panel Supply And Installation

"We offer distribution panel supply and installation services, ensuring efficient and reliable power distribution solutions. Our expertise covers the sourcing and installation of distribution panels for various applications, delivering seamless electrical distribution."

OUR SERVICES

Electrical Labour Suppliers

"We are your trusted electrical labor suppliers, providing skilled and experienced electricians to meet your project's workforce needs. Our team ensures efficient and reliable electrical services, tailored to your requirements."

Earthing Solutions

"We specialize in earthing solutions, offering effective and safety-compliant grounding systems to protect your electrical installations and ensure operational reliability. Our expertise ensures peace of mind through robust earthing solutions."

OTHER SERVICES

- Electrical Consulting and Designing
- SITC of 11KV to 220KV Sub Station
- SITC All Types of Power & Distribution Transformers
- SITC of 11KV/ 33KV VCB Panels
- SITC of Sub Station equipments
- SITC of Cables and Accessories
- SITC of Earthing Materials
- Turnkey Project Works

OUR PRODUCTS

- PCC- Power Control Center
- MCC- Motor Control Center
- APFC - Automatic Power Factor Control Panel
- RTPEFC - Reactor, Thirstier PF. Control Panel
- DG/TG/MAINS Synchronizing Panels
- ACDB/DCDB/Feeder Pillar Panels
- AC/DC Drive Panels
- AL/CU Air Cooled Bus Duct
- PLC/DCS/SCADA System

OUR SERVICES

Inverter & Ups System Supply and Installation

"We provide inverter and UPS system supply and installation services, ensuring uninterrupted power solutions for your needs. Our expertise covers the sourcing and seamless installation of reliable inverter and UPS systems."

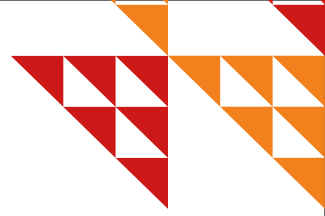

Security System Installation

"We specialize in security system installation, delivering comprehensive solutions to safeguard your property. Our expert team ensures the seamless and efficient installation of security systems, providing peace of mind and protection for your assets."

OUR SERVICES

Fire Fight System Electrical work

"We SITC Fire Fight Hydrant Pump panel with cabling & pressure Switch caliberation. Also supply, Installation & commissioning of Conventional & non-conventional fire Alarm system, smoke, heat & gas Detector with cabling."

Electrical Safety Audit & Energy Audit

"We conducting Electrical Safety Audit of various residential, commercial And Industrial units as per NEC-2023, CEA Regulation-2023, NBC-2020, IES-2016& many more conducts for Electrical safety of human life & assets. Energy Resources conservation technics For better Tommorrow."

OUR TESTING EQUIPMENT

Sr. No.	Description	Quantity	Remarks
1	HV DC Test Kit (Make: Telemetrics Incorporated, Model No: HVG-35)	2No.	To Perform HV Test on Cables up to 40 KV DC, 10mA.
2	Shock Discharge Generator (Model No: SDG 32)	2No.	To Detect Pin Point H.T. cable fault.
3	Acoustic Surge Wave Receiver (Make: Telemetrics Incorporated)	2No.	To Detect Pin Point H.T./L.T. cable fault.
4	Megger (Make: Shanti, Range: 2.5kV, 5kV)	4Nos.	To check the Resistance
5	Earth Megger (Make: Nippen)	2No.	To check the ohms
6	Megger (Make: Waco, Range: 10kV)	2No.	To check the Resistance
7	Digital Megger (Range: 1kV 1MΩ)	2No.	To Check the Resistance
8	Digital Multi-meter	4 Nos.	i. Kusum-Meco, ii. Waco, iii. Motwane, iv. Lt. Lutron
9	Pre-Locator Telemetric Cable Fault Machine/Surge Locator (Make: Electrocon Systems, Size: 32kV)	2No.	To Locate distance cable fault.
10	Cable Fault Machine/Surge Locator (Make: Electrocon Systems, Size: 32kV)	2No.	To Detect pin point H.T./L.T. cable fault.
11	Fault Distance Locator (Make: Electrocon Systems, Size: 10 Km)	2No.	To Locate distance cable fault
12	Surge Wave Receiver (Make: Electrocon Systems)	2Set	To Detect pin point H.T./L.T. cable fault.
13	Roto Meter (Make: [Insert Make Here], Model No: [Insert Model No Here])	2Set	To calculate Meter

OUR TOOLS

Sr. No.	Description	Quantity	Capacity/Size	Make
1	Crimping Toolkit (Manual)	4Sets	a. 16 sq.mm. to 300 sq.mm. & b. 16 sq.mm. to 300 sq.mm.	a. M. Seal, b. Jainson Sapson
2	Crimping Toolkit (Hydraulic)	4Sets	a. 35 sq.mm. to 400 sq.mm. & b. 35 sq.mm. to 600 sq.mm.	a. M. Seal, b. Jainson Sapson
3	Ratchet Spanner Set	4Sets	6 mm to 32 mm	Taparia
4	Fix Spanner Set	4Sets	6 mm to 32 mm	Kalidas
5	Ring Spanner Set	4Sets	6 mm to 32 mm	Kalidas
6	Screw Driver Set	4Sets	All Sizes	Taparia
7	Electric Stand Drill	4Nos.		Rewal
8	Hand Drill Machine	6Nos.		Rewal/ Boss
9	Cutter Machine	2No.		Hitachi
10	Hand Gloves	10Sets		
11	Vehicle (Maruti Van Omni)	1		Maruti
12	Blending Machine	2		
13	Air Blower	4 Nos.		
14	Welding Machine	1 No.		
15	Hacksaw Frame	5 Nos.
